

**REQUEST FOR AND REPORT OF LABORATORY EXAMINATION FOR RABIES**

**PRIVACY ACT STATEMENT**

**AUTHORITY:** Title 10, United States Code, Sections 3013, 5013, and 8013.

**PRINCIPAL PURPOSE(S):** To provide for documentation of the results of laboratory examinations of a deceased animal for rabies.

**ROUTINE USE(S):** The results of the examinations are used to determine the proper medical management of patients potentially exposed to rabies because of a bite/scratch inflicted by the animal described and belonging to the owner named. The information may also be used to: aid in preventive health and communicable disease control programs; report medical conditions required by law to Federal, state, and local agencies; compile statistical data; conduct research; teach; assist in law enforcement, to include investigations and litigation; and evaluate the care provided.

**DISCLOSURE:** Voluntary; but if information is not provided, all pertinent and relevant information regarding the medical history of the animal cannot be evaluated. Comprehensive medical care to the individual potentially exposed to rabies may not be possible, but care will not be denied.
